

Building a Stronger, More Inclusive Arizona

Who We Are

As a dedicated Community Development Financial Institution (CDFI), Growth Partners Arizona passionately champions creating an inclusive economy to uplift local nonprofits and small businesses. Our core mission revolves around providing vital loan services, opening pathways to capital for traditionally underserved enterprises, and nurturing economic empowerment and literacy across the state through dynamic and strategic partnerships.

Our Community Initiatives

- **EmpowerEdge:** A transformative program dedicated to equipping small businesses and nonprofits with essential tools and resources. We work collaboratively with community organizations to providing financial training, and workshops throughout Arizona.
- **Moments of Impact:** We understand the importance of championing local entrepreneurs and through this program we spotlight the inspiring journeys and achievements of local changemakers.
- **Lending Programs:** We provide responsible and affordable loans to small businesses and nonprofits in Arizona.
